

## CITYLINE BLOCK 3

June 22, 2023

The Cityline Block 3 North Office buildings located at 250 Washington Ave (West Building) and 200 Washington Ave (East Building) has topped out steel erection. The topping out ceremony was held on May 9<sup>th</sup> to celebrate this milestone. The façade installation has started at 250 Washington Ave and over the next few months, the terracotta panels and the glass will be installed. Other ongoing activities include the installation of the mechanical, electrical and plumbing systems.

The Martin (AKA Block 3 South residential buildings) located at 240 S. Taaffe St has topped out on both the East and West Buildings as of June 14<sup>th</sup>. The installation of the exterior façade has commenced on the West building with the GFRP panels and will be followed by glass installation. The façade for the East tower will start subsequently in early July.
